#### BC Ferries Scams

Numerous fake websites have been created to look nearly identical to the official BC Ferries site, tricking people into paying for fake reservations. It's crucial to ensure you are using the official website: [BCFerries.com](https://www.bcferries.com).

BC Ferries has also seen an increase in phishing emails. Scammers are sending messages claiming you've won a contest, there's been a data breach, or you're eligible for a discount by completing a survey. These are designed to trick you into clicking on malicious links or giving up personal information.

**Important Tip:** All legitimate BC Ferries email addresses end in [@bcferries.com](mailto:bcferries.com). Scammers have been using lookalike addresses like [@bc-ferries.com](mailto:@bc-ferries.com), so pay close attention to the sender's email before clicking anything.
